

This recipe book offers ideas for classic barbecue food such as burgers and spareribs as well as more exotic ideas for grilling sardines or swordfish. It also has some simple ideas to cater for vegetarians. It contains tips on preparing for a barbecue, plus detailed advice on cooking times and all-weather grilling. It contains over 180 recipes gathered from all over the world and complemented by a range of flavour-boosting marinades, sauces, salsas and dips. It also caters for vegetarians.

Peeps at many lands: Belgium., The Routledge Companion to Epistemology (Routledge Philosophy Companions), The Tender Years (A Prairie Legacy, Volume 1), Yamaha (Osprey Color Library), Pitcairn Islands: Biogeography, Ecology and Prehistory, The anglers register: a list of the available fisheries in England, Scotland, Ireland, Wales, Brittany and Belgium, and how to get to them, &c., &c., ... an Anglers almanack and monthly bill of fare, The Great War Illustrated 1914: Archive and Colour Photographs of WW!,
