

Good communication can lead to better business, better profits and a better life. Bad communication will do just the opposite. Communicating Your Message to Those too Busy to Listen is based on the popular Public Speaking Presentation of the same name that was developed by Earth Voyage, LLC. Drawing from its years of international communication experience, Earth Voyage has compiled a wealth of information to help you avoid the mistakes that we all make, and to help you become a better communicator. The book is divided into six separate sections that can be enjoyed individually, or combined. These are: 1. Language - how it both unites and divides us 2. Culture - overcoming and appreciating our differences 3. Face-to-Face - dealing directly with the other party 4. Communicating More Effectively - strategies to ensure that your message gets through, and that you become a better communicator 5. E-mail - today's dominant form of business communication 6. Take-Home Messages - additional tips to ensure clear communication If you've ever had trouble communicating your message to others, if you've ever had trouble understanding a message that was intended for you, if you want to enhance your business and your personal life through better communication, then this is the book for you.
