

Saying No to the War Party is a historical record. It documents the opposition, in the U.S., towards Iraq War No. 2. It takes the reader on a journey to anti-War rallies, from Washington D.C. to New York City. William Hughes goes for the jugular by attacking the War Hawks. No one is safe from his avenging pen, including Israeli Firsters, Sen. Joseph I. Lieberman (D-CT) and Rep. Tom DeLay (R-TX); Pentagon lackey, George F. Will; and media mogul, Mortimer B. Zuckerman. Along the way, Hughes stands up for France, American workers, the Catholic laity, and the Palestinian people, who have been suffering under the yoke of Israeli occupation for over 35 years. The War Partys policies are bankrupting the nation and making America more enemies in the Islamic World. This book details a struggle that will eventually decide the fate of the American Republic.
